

Full Telephone Accessibility with Mississippi Relay Service

mississippirelay.com

TTY (Teletypewriter) Relay

711 or 800-582-2233

Dial quickly and converse easily

You can use a teletypewriter (TTY) to communicate with anyone and anytime on the phone!

mississippirelay.com/text-telephone

How does TTY Relay work?

- 1** You type your conversation to the relay operator.
- 2** The relay operator then voices your typed message to the other party.
- 3** After you finish typing, it is the other party's turn to respond.
- 4** The relay operator relays the other party's spoken words by typing them back to you.

TeleBraille Relay for DeafBlind

711 or 800-582-2233

Accessible for DeafBlind

You can use a TeleBraille device or TTY with a large visual display to make relay calls.

mississippirelay.com/telebraille

How does TeleBraille Relay work?

- 1 The other party's conversation to a DeafBlind caller goes through a relay operator.
- 2 The relay operator types the other party's conversation to the DeafBlind caller.
- 3 The DeafBlind caller reads the conversation through a Telebraille device.

Voice Carry-Over (VCO)

711 or 800-582-0756

Talk with Confidence

Voice Carry-Over (VCO) is the perfect solution for you if you like to talk and read captions during your phone calls.

mississippirelay.com/voice-carry-over

How does VCO Relay work?

- 1** The VCO user speaks to the other party.
- 2** The other party listens and speaks.
- 3** The relay operator types the other party's voiced message to the VCO user.
- 4** The VCO user reads the other party's voiced words on the VCO phone or teletypewriter (TTY).

Additional Features

Relevo en Español (Spanish Relay)

711 ó 800-582-2544

Una persona sorda o con dificultades auditivas puede usar TTY para escribir su mensaje y el operador de relevo se lo lee en voz alta al otro llamador.

mississippirelay.com/es

Voicemail/Answering Machine Retrieval

800-582-2233

TTY users can use the relay service to retrieve messages from voicemail or answering machines.

International Relay Service

605-224-1837

Mississippi Relay allows you make international calls through Mississippi Relay by dialing 711 or any Mississippi Relay toll-free relay number.

People outside the US wanting to call you should dial 605-224-1837 to reach a relay operator.

Directory Assistance

800-582-2233

Mississippi Relay will relay Directory Assistance calls between TTY users and the Directory Assistance operator. Once the caller makes the Directory Assistance request, the relay operator will contact the appropriate Directory Assistance operator.

Additional Programs by Mississippi Relay

Need Special Equipment?

Mississippi Relay Equipment Distribution Program (MREDP) makes telecommunications equipment and accessories available to qualified deaf, hard of hearing and or speech disabled citizens in the state of Mississippi.

The equipment includes amplified telephones, CapTel phones, speaker telephone, TTYs, videophones, and specialized telephone equipment for DeafBlind or speech-disabled citizens.

For more information, visit mississippirelay.com/equipment-distribution

Customer Profile

The TRS Customer Profile allows you to store your call preferences, such as:

- Frequently dialed numbers
- Emergency numbers
- Preferred gender of relay operator
- Preferred announcement relay service
- Customer Profiles help speed up call processing To register, visit mississippirelay.com/customer-profile.
